1. Organisation Overview

1.1 Name

LittleBlossom Inclusive Daycare

1.2 Brief History

Tebogo Precious Mokgobu founded LittleBlossom Inclusive Daycare in 2026 with a simple but powerful vision: to create a daycare where every child belongs.

The idea came about when an edge to create a safe space where no child is turned away because of their abilities or personality and a gap in the market was identified for truly inclusive daycare centres in Gauteng.

LittleBlossom Inclusive Daycare officially opened its doors in March 2026 in Johannesburg. The daycare is committed to providing a nurturing, inclusive environment where children of all abilities, personalities, backgrounds, and circumstances can learn, grow, and thrive together.

1.3 Mission Statement

To provide a safe, nurturing, and inclusive daycare environment where every child—regardless of ability, personality, background, religion, or family status—is celebrated, supported, and given the opportunity to reach their full potential.

1.4 Vision Statement

To become Gauteng's leading inclusive daycare centre, setting the standard for how children of all abilities and backgrounds learn and grow together, and to inspire other daycare centres to embrace inclusivity as a core value.

1.5 Target Audience

LittleBlossom Inclusive Daycare serves three primary groups. Parents and Guardians, Children and Community Partners

3. Current Website Analysis

3.1 Analysis of Existing Websites

Since LittleBlossom Inclusive Daycare is a new daycare, there is no existing website to analyse. However, competitor daycare websites in Gauteng have been reviewed.

2. **Special Needs Daycares:** Specialized care for specific conditions, trained therapeutic staff, focused resources.

3.3 Competitor Weaknesses

1. **Standard Daycares:** Often exclude children with disabilities. Lack inclusivity for diverse personalities and backgrounds. Limited affordability options.
2. **Special Needs Daycares:** Often expensive and exclusive to specific conditions. May not accommodate children with diverse needs.

3.4 LittleBlossom Advantages
